Smooth & Crunchy!

Make no Mistake There is a difference!

The Olde Tyme Art of Candymaking™ is kept alive at Brittles 'n More where nothing but wholesome ingredients are used. Our original recipes and time honoured methods assure you quality and taste unsurpassed.

Our Difference

Our handmade Chocolate Pizza slices use only the finest Belgian Chocolate for an incredibly smooth experience. Our slices are made with a base of chocolate, combined with sponge toffee pieces and marshmallow. The “crust” of the pizza is garnished with Skor toffee bits. The slices are then topped with M&Ms, Skor toffee, Smarties, Reese’s Pieces, or mini Oreo’s and are finished off with a drizzle of Belgian white chocolate.

Our handmade artisanal sponge toffee is double coated in the finest Belgian Chocolate.

All Chocolate products come packaged. Including header (as shown), which has an ingredient list and nutritional information.

With **8 product choices**, gourmet quality and retail pricing that offers value (\$9.00 each or a special 3 slices for \$25.00) the benefits are worth serious consideration.
