

Fresh & Crunchy

Make no Mistake There is a difference!

The Olde Tyme Art of Candymaking™ is kept alive at Brittles 'n More where nothing but wholesome ingredients are used. Our original recipes and time honoured methods assure you quality and taste unsurpassed.

Made from scratch our Brittles are cooked to precise levels in our copper kettle pots.

Once cooked, it is then poured onto our cooling table for peeling.

The secret recipe is what gives our Brittles that unmistakable crunchy gourmet quality taste!

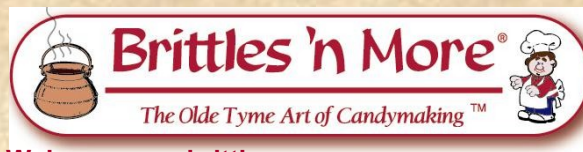

Our Difference

Peeled Brittles? Yes, the bubbling hot batch is actually flipped and peeled. Not only to reveal the look of our World Famous Brittles but also to make them gentle to the teeth and yummy to the tummy. They crunch, crumble and melt in your mouth.

INGREDIENTS: Nuts & Seeds, Corn Syrup, Sugar, Butter, baking Soda.
