Please contact us prior to starting your campaign to confirm your pricing and book your fundraising with us.

After completing the fundraising campaign, the totals from each order form are copied onto the group's Master Sheet. If you have many groups, each group will have their own Master Sheet. The totals of all Master Sheets represent your Fudge Order. Multiply this TOTAL by the cost per piece (possible shipping surcharge may apply, we will inform you prior to starting if this applies). This is the total cost for your Fudge.
